 Judge: The Honorable Thelton E.  
 Henderson  
 Trial Date: Not Set  
 Action Filed: November 6, 2012

22  
 23 I, Linda Schweig, declare and state as follows:

24 1. I am a Department of Justice (DOJ) Administrator II. I serve as the Program  
 25 Manager of the Violent Crime Information Center (VCIC), which includes the Sex Offender  
 26 Tracking Program, the California Sex and Arson Registry (CSAR), and the Investigative Services  
 27 Program. My duties include: planning, organizing, and directing the activities of the VCIC;  
 28

1 formulating and implementing program policy; and coordinating and overseeing all program  
2 activities relating to the design, development, implementation, and/or maintenance of various  
3 statewide automated systems, within the VCIC, including CSAR. I have been with the DOJ for  
4 approximately 20 years, with the majority of that time assigned to the VCIC, holding the  
5 positions of Criminal Intelligence Specialist, Criminal Intelligence Specialist Supervisor, VCIC  
6 Field Representative, manager of both the Sex Offender Tracking Program (SOTP) and the  
7 Investigative Services Program, as well as Program Manager of the VCIC. I have personal  
8 knowledge of the matters set forth below, and, if sworn as a witness, I could competently testify  
9 about them.

10 2. This Declaration is submitted in support of the Attorney General's Opposition to  
11 Plaintiffs' Motion for a Preliminary Injunction.

12 3. California Penal Code section 290 mandates that any person convicted of a specified  
13 sex offense is required to register in the state as a sex offender. The registration of sex offenders  
14 is a collaborative effort involving numerous jurisdictions within the state, including the DOJ, the  
15 California Department of Corrections and Rehabilitation, and Department of State Hospitals, as  
16 well as local law enforcement agencies (LEAs). Sex offender registration is a non-punitive  
17 regulatory scheme designed to keep law enforcement and to some extent, the public aware of  
18 dangers.

19 4. The SOTP is tasked with maintaining registration information and providing  
20 assistance to all agencies involved in the registration of sex offenders to ensure that the process is  
21 accomplished as accurately and efficiently as possible.

22 5. The SOTP is comprised of the following: 1) Sex and Arson Registration Unit; 2)  
23 Assessment Unit; and 3) Megan's Law Section. Collectively, these units have the responsibility  
24 to maintain the CSAR database. CSAR is the central repository for California's sex offender  
25 registration information. The information collected and maintained in CSAR is used by LEAs to  
26 manage their sex offender registration records, to ensure the registration compliance of sex  
27  
28

1 offenders residing in their jurisdictions, and to assist in prosecuting sex offenders who violate  
2 Penal Code section 290.

3 6. Notification upon release: Any sex offender who is released, discharged, or paroled  
4 from any California penal institution where he was confined because of the commission or  
5 attempted commission of a specified offense, or is released from a California state hospital to  
6 which he was committed as either a sexually violent predator or after conviction for a registerable  
7 sex offense, must, prior to discharge, parole, or release, be informed of his duty to register by the  
8 official in charge of the place of confinement or hospital. A sex offender, who is convicted in  
9 California of the commission or attempted commission of a specified offense and is released on  
10 probation, must, prior to release or discharge, be informed of his duty to register by the probation  
11 department.

12 7. Notification by Court: Any sex offender who is convicted in California of the  
13 commission or attempted commission of a specified offense and is granted conditional release  
14 without supervised probation, must, prior to release or discharge, be informed of his duty to  
15 register in open court, by the court in which the person has been convicted.

16 8. Exemption from registration: Penal Code section 290.5 provides that a person who is  
17 required to register under Section 290 for a specified offense shall, upon obtaining a certificate of  
18 rehabilitation, be relieved of any further duty to register under Section 290 if he or she is not in  
19 custody, on parole, or on probation.

20 9. VCIC programs perform legislatively mandated functions relating to the  
21 identification and apprehension of persons responsible for specific violent crimes, including sex  
22 and arson offenses, and for the disappearance and exploitation of persons, especially children.

23 10. Information collected from registered sex offenders (Registrants) is maintained on the  
24 DOJ's CSAR. Pursuant to California Penal Code section 290.021 this information is not open to  
25 inspection by the public or any other person other than a regularly employed peace officer or  
26 other law enforcement officer and upon initial inquiry into the Registry, the user is required to  
27 acknowledge the "need to know, right to know" policy before access is permitted.  
28

1           11. The CSAR user accounts are managed through the Justice Identity Management  
2 System (JIMS). Each law enforcement agency has one or more JIMS administrators. Upon  
3 application to be designated an administrator, the DOJ verifies the identification and the official  
4 agency identifier of the applicant. Once approved, JIMS administrators are responsible for  
5 administering the system for their own local law enforcement agency.

6           12. There are significant security procedures in place which prevent improper use of a  
7 Registrant's Internet information. A law enforcement official can only search the CSAR database  
8 by name and date of birth, Criminal Investigation and Identification Number, State Identification  
9 Number, FBI Number, CDCR or Division of Juvenile Justice Number, CSAR File Control  
10 Number, Social Security Number, Driver's License Number, or California Identification Number.  
11 For instance, if an official knew someone with a screen name of XYZ was being critical of him or  
12 her, there is no mechanism the official could employ to search for XYZ in CSAR. In the event of  
13 a child abduction or similar exigent circumstance, the DOJ has the capability to search for a  
14 screen name in CSAR but a search of this nature can only be initiated through a written request  
15 which means there is a tracking system in place. If the DOJ were made aware of an improper  
16 request for Internet information, it could link the query to the law enforcement official and take  
17 action to investigate. During my almost 20 years with the DOJ, I am not aware of a single  
18 incident in which any such improper query has been reported or investigated.

19           13. In June 2011, pursuant to California Penal Code section 290.015(a)(1), the DOJ  
20 began collecting e-mail addresses, screen names, and social network information from  
21 Registrants. Attached hereto as Exhibit A is a true and correct copy of our 2012 form CJIS  
22 8102S. That form is used for the initial and updated registration by a sex offender with a law  
23 enforcement agency. That information currently is stored in the Registry. As noted in paragraph  
24 12, this information, to the limited extent internet identifying information has been collected, is  
25 subject to DOJ's restricted access procedures. The VCIC is currently developing the security  
26 policies, practices and procedures for a CSAR graphical user interface (GUI) that is similar in  
27 nature to those used by CLETS. CLETS is the California Law Enforcement  
28

1 Telecommunications System, which is used to transmit and access various types of criminal  
2 justice information. To obtain access to CLETS, an LEA must enter into an agreement with DOJ,  
3 in which the LEA agrees to certain procedures to maintain the security of the system and prevent  
4 unauthorized access. All access to CLETS by a user is logged. DOJ and/or the LEA can  
5 investigate and take appropriate action to remedy any unauthorized access. Currently, registering  
6 agencies generally enter sex offender registration information into the registry using the CLETS,  
7 but that system does not allow them to enter internet identifying information directly into the  
8 registry.

9 14. Currently, the DOJ is not able to accommodate the additional Internet information  
10 required by the Californians Against Sexual Exploitation Act until new forms are ready. These  
11 forms are expected to be ready for use in January 2013. In addition, the DOJ's software needs to  
12 be updated to permit transmission of the additional information and that is expected to be  
13 completed in March 2013 and will be implemented in conjunction with the release of Phase II of  
14 the CSAR GUI, Entry/Update for LEAs. That Phase will allow LEAs to enter registration  
15 information directly into CSAR via the GUI. Currently, a pilot project is underway involving  
16 seven law enforcement agencies that are beta-testing this Phase. While that process is underway,  
17 we are preparing to implement security measures for the law enforcement access to that software  
18 that are anticipated to be similar to CLETS.

19 15. On November 9, 2012, in response to the Court's Temporary Restraining Order, the  
20 DOJ posted the following alert on the Megan's Law Website, as well as the California Law  
21 Enforcement Website:

22 "FEDERAL COURT STAYS PART OF PROPOSITION 35- Human Trafficking Initiative  
23 A federal court has prohibited DOJ and local law enforcement agencies from collecting  
24 information from sex offender registrants about their Internet service providers and Internet  
25 identifiers, including e-mail addresses, screen names, and social networks. Until further notice,  
26 these fields on the registration forms (DOJ forms 8047 and 8102) should be left blank. A hearing  
27 on whether to grant a permanent stay, which would be in force until the lawsuit is decided, will be  
28

1 held on November 20, 2012. Until further notice, the DOJ and LEAs will not be collecting this  
2 information from registrants.” In addition to this notice, the DOJ placed all already collected  
3 Internet information into a secure location that is not accessible by law enforcement.

4 16. I work with local law enforcement agencies on a daily basis. I have not been made  
5 aware of a single incident in which a law enforcement agency or officer disclosed a registered sex  
6 offender’s Internet information to the public.

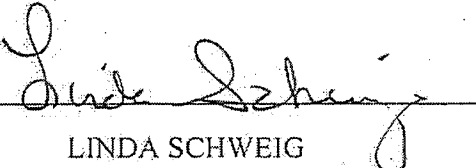

7 I declare under penalty of perjury of the laws of the United States of America that the  
8 foregoing is true and correct. Signed and sworn to this \_\_\_\_\_ day of November 2012 at  
9 Sacramento, California.

**REGISTRATION REQUIREMENTS - REGISTRANT IS REQUIRED TO READ AND INITIAL ALL REQUIREMENTS**

1. \_\_\_ My responsibility to register as a sex offender in California is a lifetime requirement, unless imposed solely as a probation condition. (PC § 290)
2. \_\_\_ I must register in person, if I have never registered, within five (5) working days of: 1) coming into California, or 2) release from incarceration, placement, commitment, or release on probation, with the law enforcement agency having jurisdiction over my place(s) of residence or where I am physically present as a transient. (PC § 290)
3. \_\_\_ I must re-register in person, if I have previously registered, within five (5) working days, after release from incarceration, placement, or commitment that lasted 30 or more days, or within five (5) working days after release on probation. I do not have to re-register after release if I was incarcerated for less than 30 days, and I return to the last registered address, and the update of registration that is required to occur within five (5) working days before or after my birthday did not fall within that incarceration period. (PC § 290.015)
4. \_\_\_ I must annually update my registration information in person, within five (5) working days before or after my birthday, at the law enforcement agency having jurisdiction over my residence address or where I am currently present as a transient. Annual updates begin with my first birthday following registration or change of address. (PC § 290.012)
5. \_\_\_ Upon coming into, or when changing my residence address within a city and/or county in which I am residing, I must register or re-register in person, within five (5) working days, with the law enforcement agency having jurisdiction over my residence. (PC § 290, 290.013) DEFINITION: "Residence" means one or more addresses at which a person regularly resides, regardless of the number of days or nights spent there, such as a shelter or structure that can be located by a street address, including, but not limited to, houses, apartment buildings, motels, hotels, homeless shelters, and recreational and other vehicles.
6. \_\_\_ If I change my registered address to a new address, either within the same jurisdiction or anywhere inside or outside of the state, I must inform the last registering agency or agencies in person within five (5) working days before or after I leave. If I do not know my new residence address or transient location I must later notify, by registered or certified mail, the last registering agency or agencies of the new address or transient location with five (5) working days of moving to the new address or location. (PC § 290.013)
7. \_\_\_ If I am registered at a residence address and become transient or if I am registered as a transient and move to a residence, I have five (5) working days within which to register in person, with the law enforcement agency having jurisdiction over the new address or to register as a transient. (PC § 290.011)
8. \_\_\_ If I have no residence address, I must register in person in the jurisdiction where I am physically present as a transient within five (5) working days of becoming transient. Thereafter, I must update my registration information in person no less than once every 30 days with the law enforcement agency having jurisdiction over the place where I am physically present as a transient on the day I re-register. I do not need to report changes of transient location within the 30-day period unless I move out of state. I must also comply with the annual requirement to update my registration. (PC § 290.011)
9. \_\_\_ If I am registered as a transient and I am moving out of state, I must inform the law enforcement agency having jurisdiction over the place where I was physically present as a transient, in person, within five (5) working days before or after I leave. I must also inform the law enforcement agency of my planned destination, residence, or transient location out of state, if known, and any plans to return to California. (PC § 290.013)
10. \_\_\_ If I move outside of California, I am required by federal law to register in the new state within three (3) working days.

I have been notified of my duty to register as a sex offender pursuant to Penal Code sections 290-290.023 and 290.01. I have read, understood, and initialed each registration requirement specified on pages 3 and 4 of this form. I understand it is my duty to know the registration requirements, including changes to the law that may be made after I sign this form. I certify the information provided is true and accurate.
